

**Thank you for choosing CrownWear.™
 We take great pride in providing you
 with high quality products.**

Your Head Liner is universal and can be worn beneath any type of head gear, from hats and caps to helmets and hard hats. **You name it – Your Head Liner can protect it.** It can also be worn on its own to keep sweat out of your eyes and stop sunburn.

Directions

Method A (recommended for all helmets, hard hats, etc.)

1 – With seam facing forward pull Head Liner down, directly onto head until edge of Head Liner is just above brow line (silky side touching head) [See Figure 1]. 2 – Place head gear onto head (on top of Head Liner). 3 – Enjoy!

Method B (recommended for all hats, caps, etc.)

1 – Place Head Liner into head gear (gold crown touching head gear) so that edge of Head Liner lines up with rim of head gear [See Figure 2]. 2 – Place head gear and Head Liner onto head as one piece. 3 – Enjoy!

Method C (on its own)

1 – With seam facing forward pull Head Liner down, directly onto head until edge of Head Liner is just above brow line (silky side touching head) [See Figure 1]. 2 – Enjoy!

Your CrownWear™ Head Liner is durable enough to withstand thousands of washes. When you're done with your activities, simply toss it in the wash with everything else.

Care Instructions: Machine wash cold, with like colors. Tumble dry low. Do not iron. Do not bleach. For best results we recommend you wash your Head Liner after each use.
